

Jackson Dining Chair

Materials:

Timber:

Solid American Oak or Solid American Walnut

Wood is a natural material so each piece will be unique, telling a different story of the condition it grew in. There will be colour and grain variation.

Solid American Oak

Solid American Walnut

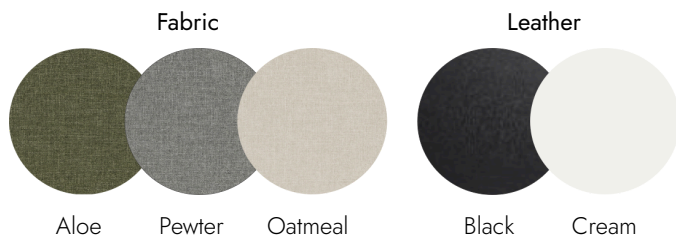

Fabric:

Fabric - 100% Polyester 430GSM - Performance Treated

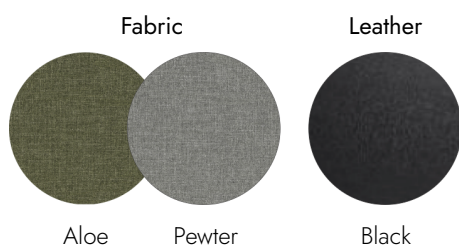

Leather:

Black Top Grain, Corrected Grain / Printed
White Top Grain, High Class Smooth Finish

Oak Frame

Walnut Frame

Care:

Timber:

Enhance the longevity and natural beauty of the timber by regularly dusting it and using cleaning products specifically designed for use on wood. Protect the wood from direct heat sources, sudden temperature changes, and prevent excessive moisture exposure. Over time, the colour of real wood may naturally change, and exposure to UV light may accelerate this process.

Fabric:

Fabric protector sprays will limit stain absorption and should be reapplied after cleaning or every 6 months. Mud or dirt is best left to dry then vacuumed.

Leather:

Should liquid be spilled on the leather, wipe off quickly. We recommend the use of a leather moisturiser each month.
